Research has shown that global demand for babies’ and children’s products is growing continuously. Indeed, modern parents are willing to spend more on their children but at the same time are getting more discerning, demanding high-quality, value-added, educational and hi-tech products.

Welcome to the Brand Name Gallery, a premium section at the HKTDC Hong Kong Baby Products Fair showcasing only branded babies’ and children’s products and designer collections. The gallery features 45 global and Hong Kong exhibitors, showcasing everything from clothing to furniture, and from tableware to playthings, all of which are carefully designed and meticulously made so that they are safe, stimulating, smart and stylish for precious little ones. Their exceptional quality would certainly get the approval of parents across the world and also lead straight to success on a retail level.
