3B. INTELLECTUAL PROPERTY RIGHTS

3.2. PROTECTION OF INTELLECTUAL PROPERTY RIGHTS AT HKTDC EXHIBITIONS Exhibitors' Brief

The Hong Kong Trade Development Council (referred to below as “TDC”, “Organiser”, “we”, “our” or “us”), the statutory body promoting Hong Kong’s international trade, is committed to fostering original design and safeguarding intellectual property rights.

We have on-the-spot procedures at our trade fairs (the “Fairs” or “TDC exhibitions”) for handling any complaint against any exhibitor (“Exhibitor”) and/or advertiser (“Advertiser”) that:

- (i) a product, item or material published, displayed, and/or placed by an Exhibitor at the Fairs, or
- (ii) any advertisement published, displayed and/or placed by us for and/or on behalf of an Exhibitor or Advertiser, including but not limited to in (a) our publications (in any media, medium, form and format, whether online and/or offline) (“Publications”), (b) our websites, applications, platforms and/or social media accounts (including but not limited to www.hktdc.com and any and all other websites, applications, platforms and/or social media accounts that we may from time to time operate, manage or use) (“Websites”), (c) our showcases (including but not limited to (i) printed and/or digital materials, (ii) LED advertisements such as but not limited to lightboxes, TV walls, Exhibitor Location Systems, and lifts and escalator advertisements, (iii) banners and posters, and/or (iv) any other means or manner of advertising, whether online and/or offline, whether existing now or in the future) (“Showcases”), and/or for or relating to (d) any products, services or materials featured or promoted in any such Publications, Websites and/or Showcases (as the case may be) (where, for the ease of reference, each of the foregoing items in categories (a) to (d) above will be referred to herein as “Advertisement”);

allegedly infringes someone else’s intellectual property rights in relation to or in connection with TDC exhibitions.

These complimentary procedures are not the only way in which complainants can file complaints. Complainants can also file complaints with Hong Kong Customs and Excise Department and/or the Courts of Hong Kong.

These procedures carried out with our legal advisors (“Legal Advisors”), are designed to help establish whether there is a case to answer so that complaints may either be pursued or resolved promptly.

Our aim is as much to protect the rights of individual Exhibitors and Advertisers concerned to be promptly cleared of unfounded complaints as it is the responsibility of the Exhibitors and Advertisers to uphold their obligations to respect the intellectual property rights of others.

In this respect, the attention of all Exhibitors is drawn to Clause 43 of the conditions of participation, setting out rights and obligations of exhibitors at TDC exhibitions, which is set out below for ease of reference:

“The Exhibitor warrants that the exhibits and packages thereof and the Publicity Material or any other part of the display on the Stand do not in any way howsoever violate or infringe any third party’s rights including all intellectual property rights including but not limited to trade marks, copyright, designs, names, and patents whether registered or otherwise. The Exhibitor agrees to fully indemnify the Organiser and its agents, representatives, contractors and employees against all costs, expenses and damages arising from any third party’s claim of infringements by the Exhibitor and/or the Organiser and/or the latter’s agents, representatives, contractors or employees of such third party’s rights.”

The attention of all Advertisers is drawn to Clauses 2 and 3 of the terms and conditions enclosed in the HKTDC Advertising Order Contract, pursuant to which the Advertiser, amongst other things, warrants and undertakes that no third party intellectual property rights will be infringed as a result of the publication of any Advertisement, and it has obtained all necessary consents and licenses for the Advertisement. The Advertiser also undertakes and agrees to fully and unconditionally indemnify and hold TDC and its partners, agents, affiliates, directors, representatives, contractors, officers, employees and users harmless against any allegations, claims, damages, penalties, losses, costs, fees (including legal fees) or any expenses howsoever incurred as a result of or in connection with, amongst others, any breach or alleged breach of representation, warranty or undertaking given by the Advertiser, any infringement or alleged infringement of intellectual property rights, including but not limited to patents, registered designs, copyrights or trade mark infringement arising as a result of the publication of any Advertisement, and/or any third party claims whatsoever arising in or derived from or as a direct or indirect result of the publication of any Advertisement by the Advertiser, including without limitation in relation to its goods and/or services.

The Exhibitor and/or Advertiser each agree that it shall comply with the then effective version of the "Exhibitors' and Advertisers' Brief on the Protection of Intellectual Property Rights at TDC Exhibitions" ("**Exhibitors' and Advertisers' Brief**") that the Organiser may issue and update from time to time, including but not limited to abiding by any complaint procedures and penalties stated in the Exhibitors' and Advertisers' Brief, whether as a Complainant of infringement of intellectual property right or as a party subject to any such complaint. If the Exhibitor or Advertiser fails or refuses to abide by any of the terms and conditions of the Exhibitors' and Advertisers' Brief, the Organiser shall have the sole and absolute discretion to:

- (a) ban the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies from any or all future TDC exhibitions and/or to further ban any representatives of the Exhibitor in question from entering the venue of the current TDC exhibition in which the Exhibitor is participating; and/or
- (b) decline to publish, or suspend, alter/amend or remove any Advertisements and/or prohibit the Exhibitor or Advertiser concerned from placing, displaying or publishing Advertisements on any Publications, Websites and/or Showcases at or in connection with any TDC Exhibition.

If a complainant ("**Complainant**") files a complaint with the Organiser in accordance with the Exhibitors' and Advertisers' Brief and requests the Organiser to take action against an Exhibitor or Advertiser, the Complainant agrees to hold the Organiser, its agents, representatives, contractors and employees (including but not limited to their Legal Advisors) harmless and to fully indemnify each and every one of them against any and all liabilities, losses, costs (including but not limited to legal costs), expenses and damages of any nature whatsoever incurred or suffered by any of them as a result of, or in connection with, and/or however arising from, any action that the Organiser, its agents, representatives, contractors or employees (including but not limited to their Legal Advisors) may take in reliance of or as result of such complaint filed by the complainant, or any other requests, directions or instructions made or given by the complainant pursuant to such complaint.

The Exhibitor, Advertiser and Complainant each agree not to take any legal action or make any claim or demand against the Organiser, its agents, representative, contractors or employees (including but not limited to their Legal Advisors) in relation to or arising out of such complaint and any actual or alleged infringement of intellectual property rights.

3.21. Waste Reduction and Recovery Measures

To protect our environment, the following guidelines on Waste Reduction and Recovery are recommended:

Waste Avoidance and Minimization

- Setting up of exhibition booth
 - Use re-erectable booth to reduce the amount of waste generated
 - Avoid using energy-intensive appliances
 - Use energy-saving lightings
- Selection of decoration material
 - Use environmentally-friendly materials (e.g. recycled materials).
- Production of publicity materials
 - Print publicity materials on recycled paper or recyclable paper with environmentally-friendly ink.
 - Minimize the number of publicity materials printed.
 - Avoid plastic covers for printed matters.
 - Utilise publicity via e-channels such as e-brochures and e-leaflets and provide QR code to download
 - Choose green promotional giveaways while minimizing their packaging materials
- Distribution of bags
 - When distribution of bags is necessary, use re-usable bags or bio-degradable bags instead of plastic bags.

Effective from 31 Dec, 2022, the Plastic Shopping Bag (PSB) Charging has been implemented in Hong Kong. Under the Enhanced Plastic Shopping Bag (PSB) Charging Scheme, the seller of goods by retail shall charge the customer an amount not less than \$1 (HKD) for each PSB, or each pre-packaged pack of 10 or more PSBs, provided by the seller directly or indirectly to the customer at the time of the sale, for promoting the goods, or otherwise in connection with the sale. For more information about the PSB charging, please visit :

https://www.epd.gov.hk/epd/psb_charging_mobile/en/psb_charging/index.html

e. Use of utensils

- When use of utensils is necessary, use re-usable utensils or bio-degradable utensils instead of plastic utensils.

Waste Reuse and Recycling

The locations of large waste recycling bins should be familiarized and staff should be assigned to recycle all recyclable materials:

a. Reuse

Collect unused publicity items, decoration materials, admission badge holders etc for reuse or recycling.

b. Recycling

Put recyclable materials including waste paper, plastic bottles and aluminium cans into the waste separation bins provided by the event organiser.

3.22. Caution on Third Party Promotional Offers from Fair Guide/ Expo Guide/ Event Fair/ AVRON/ International Fairs Directory)

It has come to the Organiser's attention that some exhibition/trade directories or organisations have sent invitations to exhibitors inviting them to update or correct their data with their fair directories and subsequently claimed exhibitors for fees.

These directories and organisations include but are not limited to the following:

- Fair Guide (owned by Construct Data)
- Expo Guide (owned by Commercial Online Manuals S de RL de CV ("Commercial Online Manuals"))
- Event Fair - The Exhibitors Index, and
- FAIR-Guide (www.fairguide.me) (owned by Avron s.r.o.).
- AVRON
- International Fairs Directory

The Organiser would like to stress that neither the Fair Guide, the Expo Guide, the Event Fair the FAIR-Guide, AVRON nor the International Fairs Directory has any connection with the Organiser or any of our fairs.

UFI, an international organisation which represents the interests of the exhibition industry worldwide has been warning the exhibition industry to be vigilant against Fair Guide, Expo Guide, Construct Data, Commercial Online Manuals and other similar guides and organisations such as Event Fair, AVRON and International Fairs Directory. UFI has also reported that debt collection agencies work in partnership with these guides to intimidate exhibitors for payment. The practice of Construct Data has been considered as unconscionable and misleading by the Austrian Protective Association. Recent information suggests that Construct Data has shifted its operation from Austria to Mexico and/or Slovakia.

It should be noted that the contents and wording of Fair Guide's and Expo Guide's letter and order form are virtually identical. It is possible that Construct Data and Commercial Online Manuals, Event Fair, AVRON and International Fairs Directory are related companies or are in some way connected. You should therefore exercise due diligence and care when being approached for such invitations so as to avoid possible unwarranted and/or unnecessary financial commitments. In order to protect your own interests, you are urged to read the contracts (including the small print) and attachments carefully, as well as seeking legal advice, before signing any such documents.

The Organiser does not recommend that you sign any materials that you receive from Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory. If you have mistakenly entered into contract with Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory, you should notify Construct Data, Commercial Online Manuals, Event Fair, AVRON, and/or International Fairs Directory, in writing and inform them that you dispute the validity of the contract on the basis of mistake and/or misrepresentation. You should take legal advice as to how to respond to any demands for payment that you might receive.

For more information about UFI's action against Fair Guide, Expo Guide, Construct Data, Event Fair, AVRON and International Fairs Directory, please visit <http://www.ufi.org/industry-resources/warning-construct-data/>

3.23. Smoke-Free Policy

All HKTDC's exhibitions have a smoke-free policy. This is in line with best international practices and the wishes of visitors and event participants. It also reflects our commitment to providing a comfortable, health-conscious environment. Smoking, including carrying any lighted cigar, pipe, cigarette or naked flame, or using e-cigarettes are forbidden at all times.

The Exhibitor shall have no right of any claim or compensation of whatsoever nature (including recovery of any sum paid to the Organisers) against the Organisers.

Governing Law

The above Conditions shall be governed by and construed in accordance with the laws of Hong Kong.

3.25.1 Security Precautions

The Organiser is responsible for the general security of the entire venue and will take all necessary measures to safeguard the property of the exhibitors. However, it is not possible to solely rely on the Organiser's efforts to prevent crime. To prevent loss of items stored or displayed within the confines of an exhibitor's booth, exhibitors are required to observe and follow the following guidelines strictly.

3.25.2 Manning of Booth

Please ensure that your stand is manned at all times by alert staff. Never leave property unattended, even for a few seconds. Shoplifters come in many guises and you have to be on your guard at all times. They work in many ways but most of the time relies on working quickly using a moment's inattention to allow them to slip something into their pocket or open bag.

The biggest deterrent to shoplifters is simply being seen. Alert staff is a big help. Brief your duty staff on the importance of security precautions and make sure that they have view of the whole stand and that there are no blind spots.

3.25.3 Identity Tags

Where possible all items on sale and on display should carry a tag showing the price and the name of your company. This way there can be no argument about how much the item costs and which booth it came from.

3.25.4. Delivery of Exhibits

Exhibits should not be sent to the venue until the stands are readily constructed. Exhibitors should arrange for a representative to be at the stand to receive goods as the Organiser will not accept or sign for any goods, exhibits or other materials on behalf of any exhibitors.

3.25.5 Demonstration of Exhibits

Exhibitors wishing to carry out demonstrations of any kind must ensure that their practices will in no way constitute fire or safety hazards or interfere with the activities of visitors or other exhibitors. The Organiser reserves the right to terminate or curtail any practice which it considers to be detrimental to the exhibition.

3.25.6 Decoration of Booth

No stickers, poster hangers or other materials will be allowed to hang on fascia. The Organiser reserves the right to remove any exhibits or publicity materials at the exhibitor's expenses which are considered not conforming to the standard and set-out of the exhibitor or do ***not*** fall within the exhibit description of the exhibition.

3.25.7 Hire of Security Guards

The Organiser will deploy adequate security guards to patrol the exhibition hall during the opening hours. You may hire additional security guards to guard your own stand if considered necessary. All security guards ***must*** be hired through the Hong Kong Convention and Exhibition Centre (Tel: (852) 2582-8888). Exhibitors requiring such service should contact HKCEC directly.

3.25.8 Copyright on Simplified Chinese Publications

Exhibitors must ensure and warrant that all articles displayed during the Fair do not in any way whatsoever violate or infringe any third party's rights including all intellectual property rights. For the avoidance of doubt, Exhibitors must ensure and warrant that if any articles displayed which were lawfully made in the country or area where they were made have been imported into Hong Kong ("parallel imported goods"), the making of such parallel imported goods in Hong Kong would not have constituted an infringement of copyright or a breach of any exclusive license agreement. For example, if the making and/or distribution in Hong Kong of any parallel imported publications in simplified Chinese characters amount to an infringement of copyright or constitute a breach of any exclusive license agreement in Hong Kong, such publications must not be displayed/shown/offered for sale/sold at the Fair.

3.26 Other Relevant Legislations

Other than the laws and regulations mentioned in the foregoing sub-sections, Exhibitors shall also comply with the provisions of relevant legislations for example:

- (viii) Under the Dangerous Drugs Ordinance (Cap. 134), which regulates, amongst others, import, export and supply of dangerous drugs; and the prescription and administration of dangerous drugs.
